STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The National Hockey Foundation is a charitable company limited by guarantee (Company No: 2676168) and registered with the Charity Commission (Charity No: 1015550) and is governed by the provisions contained within the Memorandum and Articles of Association

All trustees are members of the charitable company and stand as guarantors of the charitable company in the sum of £1 each.

Appointment of Trustees

The number of trustees is unlimited, and all trustees are required to sign a written consent to become a member. At all times at least six of the trustees must be persons nominated by the English Hockey Governing Body, and two must be nominated by Milton Keynes Borough Council.

Induction and training of Trustees

New trustees undergo an induction process to brief them of their legal obligations under charity and company law, the content of the Memorandum & Articles of Association, internal processes and recent financial performance. Trustees are also given the opportunity to attend appropriate external training events or undertake self study where these will facilitate the understanding of their role.

Affiliated and related parties

As a result of the right to approve and nominate trustees, the English Hockey Governing Body and Milton Keynes Borough Council are related parties.

The National Hockey Foundation

Trustees' report For the year ended 31 March 2014

Statement of Trustees' responsibilities

The directors (who are also the Trustees for the charitable company) are responsible for preparing the Trustee's Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently; and
- make judgments and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure to auditors

In accordance with company law, as the charitable company's directors, we certify that:

- so far as we are aware, there is no relevant audit information of which the company's auditors are unaware; and
- as the directors of the charitable company we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Risk management policy

Throughout the year the trustees have continued to develop and review their risk management policy. An action plan covering the areas of risks identified and the steps necessary to mitigate those risks has been agreed by the trustees and is reviewed at regular intervals.

OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

The objectives for which the charity was established are:

- (a) The organisation, provision or assistance in the organisation or provision of facilities which will enable pupils of schools, universities and other educational establishments in the UK to play hockey or other games or sports and thereby to assist in ensuring that due attention is given to the physical education and development of such pupils as well as to the development and occupation of their minds.
- (b) The provision or assistance in the provision, in the interests of social welfare, of facilities for recreation or other leisure-time occupations in the UK either for the benefit of the general public or for the benefit of those who by reason of their youth, age, infirmity or disablement, poverty or social and economic circumstances have a need of such facilities.

Trustees' report For the year ended 31 March 2014

OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT (CONTINUED)

The trustees confirm they have referred to the guidance provided by the Charity Commission in respect of public benefit when setting the grant making policy for the year.

The charity has carried out these objectives by providing grants to projects that support the development of sport particularly at youth level and in Milton Keynes. The trustees seek to encourage the development of hockey by providing capital and operational funding to the sport through clubs and educational establishments and by support to England hockey's youth development activities.

Grant Programme

The Trustees meet quarterly to consider and discuss disbursements in respect of grant applications. It is the Trustees current policy not to normally make individual grants below £10,000 or in excess of £75,000 per annum. This policy is continually being reviewed by the trustees.

Grants are not awarded as general donations, to individuals or solely to support elite athletes.

Any benefit received by the organisations receiving the grant is purely incidental to the objects of our work.

The trustees continue to encourage potential applicants to access the web site:

www.thenationalhockeyfoundation.com

which contains details about the work of the Foundation, guidelines for potential applicants and links to all the details required to enable applicants to apply for an award.

Previously the trustees agreed that the funds of the Trust be notionally separated into two parts so that funds are specifically earmarked and used for either, the promotion and development of matters relating to Hockey within England (the Hockey Group) or the promotion and development of matters within the area of Milton Keynes (the MK Group). The trustees agreed that these funds need not be shown separately in the accounts. The purpose of the notional split of funds was to enable the trustees to give better consideration to the fair allocation of funds between identified areas of benefit.

HOW OUR GRANT PROGRAMME DELIVERED PUBLIC BENEFIT: ACHIEVEMENTS AND PERFORMANCE

The Trustees have considered a large number of grant applications and have continued their considerable financial support to encouraging the development and growth of hockey across England, and to several sports in Milton Keynes.

Funding has been given to hockey clubs throughout the country as far apart as Cornwall, Norfolk and Northumberland. Support has been given, amongst other things, towards new and replacement pitches, new floodlighting and changing room developments.

Throughout Milton Keynes the Trustees have been able to assist several different sports including ice skating, rowing, tennis and football as well as continuing to support the valuable work of Sport Milton Keynes.

The National Hockey Foundation

Trustees' report For the year ended 31 March 2014

During the year 8 grants were made totalling £244,000 to various organisations.

A further £150,000 was agreed as conditional awards and is shown as a contingent liability in note 14 to the accounts.

In addition an interest free loan of £50,000 repayable in 10 monthly instalments was made and at the balance sheet date the first 3 instalments had been received.

During the year one award was cancelled as the project had been indefinitely delayed and repayment of a part of another award was requested and received as a result of the applicant failing to deliver the project as agreed.

Further details of these awards are shown on the Foundations web site

www.thenationalhockeyfoundation.com

The Trustees will continue to award grants for appropriate applications during 2014/2015 and whilst funds are still available, the Trustees will continue to endeavour to ensure a fair allocation of grants to projects that fully meet the Trust's objectives to enable growth in a sport and particularly the opportunity to ensure that young people have chance to enter their sport.

The Trustees will not consider applications that are aimed at elite development or that do not provide long term legacy opportunities.

FINANCIAL REVIEW

Reserves policy

The trustees reconfirmed that there is no intention to merely disburse only interest earned on funds held. Also there is currently no specific policy of seeking to disburse the balance of the funds within a specific period of time. Grant applications will be reviewed at each board meeting and awarded based on their individual merits.

The trustees will review their policy in respect of reserves periodically.

Investment policy

During the year the trustees undertook a review of their policy to appoint an investment advisor to manage the Trust's funds and were satisfied with the performance of Quilter Cheviot Asset Management during the year. Funds under management at the end of the year total £2,339,375.

The trustees regularly review the performance of the fund manager.

Results for the year

Income for the year was £65,238 (2013: £186,919) arising mainly from investment income and realised losses on investments of £18,410 (2013: gain of £82,907). Grants (as adjusted for undrawn amounts) of £200,860 (2013: £543,670) were awarded during the year and governance and support costs of £27,777 (2013: £32,646) contributed to the deficit in the year of £88,639 (2013: £198,091).

Equities, Gilts and cash invested with the investment manager at the end of the year were valued at £2,339,375 (2013: £2,722,044) with a further £19,728 (2013: £18,975) on deposit at the bank and a loan made as an investment of £35,000 (2013: £nil).

The National Hockey Foundation

Trustees' report For the year ended 31 March 2014

FOR FUTURE PERIODS

With lower interest rates likely to remain for the foreseeable future, and investment returns potentially volatile it is anticipated that with the level of grant awards remaining high the Trust will continue to show a deficit.

AUDITORS

A resolution to reappoint Mazars LLP as auditors to the Charity and to authorise the Trustees to fix their remuneration will be proposed at the Annual General Meeting.
